Travel to Guinea West Africa

Hosted by Fode Bangoura

December 2011 - January 2012

2, 3 or 4 Weeks

Experience the rich culture of
Guinea through drum and dance

Born in Conakry, Guinea, Fodé Bangoura has been recognized internationally for his work as the lead drummer with the acclaimed ensembles "Les Merveilles de Guinée" and the national ballet of Guinea, "Les Ballets Africains". A protege of the late, great Mohamed Kemoko Sano, Fodé is now one of the most respected and sought after drummers of his generation.

Since 2006 Fode has successfully brought students to Guinea to experience the cultural immersion of a lifetime. Students have the unique opportunity to study with members of "Les Ballets Africains", as well as observe their rehearsals and performances.

Outside of classes students will attend local Doundounba's (drum & dance circle), go to the local markets, experience the night life of Conakry, have instruments hand made and most of all connect with the people of Guinea.
